Lorem Ipsum sample post

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

Yet another sample

Contrary to popular belief, Lorem Ipsum is not simply random text. It has roots in a piece of classical Latin literature from 45 BC, making it over 2000 years old. Richard McClintock, a Latin professor at Hampden-Sydney College in Virginia, looked up one of the more obscure Latin words, consectetur, from a Lorem Ipsum passage, and going through the cites of the word in classical literature, discovered the undoubtable source.

Installation

Files available for download

Your custom theme includes the following files:

Vinil.DNN7.zip

This is the installation file

Vinil.DNN7.SetupGuide.pdf

Current documentation file

Installing the theme

We strongly recommend the use of stable DNN versions.

Your installation file is **Vinil.DNN7.zip**

1. Login to your DNN site using a host account
2. Go to Host » Extensions
3. From the menu inside the page select “Install Extension Wizard”
4. “Browse” your computer to select the appropriate skin to install (Vinil.DNN7.zip)
5. Click “Next”, and follow all steps until installation is completed
6. Check if installation was successful. You’re done!

Note: Make sure you have at least version 2.0 of DDRMenu installed.

Applying the theme

1. To apply the theme to your entire website, go to page Admin » Site Settings
2. On the “appearance” section you can define the default portal skin and container, as well as the admin skin and container
3. Theme can also be applied to a specific page or container.

Trial themes

For more information on downloading trial themes, please read our knowledge base article:

<http://support.bind.pt/entries/22356848-how-can-i-request-a-trial-theme>

CSS Compression

This theme is delivered with **compressed CSS files**, for **performance improvement reasons** (making websites load a lot faster).

Next to each **skin.css** file you will find a **skin.uncompressed.css** file. In case you need to edit your CSS, or if you just don't want it compressed, you can rename it and use it, instead of the compressed version.

This theme includes several other CSS files (for containers mainly). Uncompressed versions will be sent upon request.

Troubleshooting
